Chapter advisors, chaperones and parents are responsible for making certain that all Georgia TSA student members wear official TSA attire, professional TSA attire, or business casual TSA attire as occasions may require. Since adults (advisors, parents, chaperones, and guests) serve as role models at Georgia TSA conferences and activities, they are expected to dress appropriately for related occasions they attend. Conference participants not adhering to the Georgia TSA Dress Code will lose points in contests or potentially not be permitted to participate in conference activities. Georgia TSA dress code requirements listed as follows:
